Mounting Instructions | Column Light (12 Volts)

When mounting in wet location, apply a bead of silicone around the perimeter of the fixture base to seal the electrical connections against water.

CAUTION—DISCONNECT POWER

Always shut off power when installing or repairing this (or any other) electrical appliance. Failure to do so may result in severe injury or death. This product must be installed in accordance with applicable installation codes by a person familiar with the construction of the product, its operation, and the hazards involved.
